JGW International Ltd. (dba JGW Group) has been selected to participate in the Joint Program Executive Office for Chemical and Biological Defense (JPEO-CBD) Joint Enterprise Research Development Acquisition and Procurement (JE-RDAP) Omnibus contract. JE-RDAP is an \$8.27 billion, 10-year multiple award, enterprise-wide omnibus Indefinite Delivery Indefinite Quantity (IDIQ) contract vehicle. As a qualified contractor JGW will compete for JE-RDAP task/delivery orders for future research, development, production, procurement, and fielding of Chemical, Biological, Radiological, Nuclear and Enhanced (CBRNE) defense systems, equipment, and materiel.

“As a registered Small Business on this contract, JGW is excited to be a part of this unique opportunity” said Andrew Wilson, President of the JGW Group. “We look forward to building on our decades of industry and government CBRNE support experience as we continue to bring innovative solutions to the warfighter community”.

Located in Reston, Virginia. JGW has more than 30+ years of experience with CBRNE equipment and are recognized as a center of excellence for the provisioning of equipment, training and advice to both industry and government entities.

JGW also supports other Joint Program Executive Office for Chemical and Biological Defense (JPEO-CBD) initiatives through **Other Transaction Authority (OTA)** consortia as a **Non-Traditional Defense Contractor (NTDC)** including **Countering Weapons of Mass Destruction (CWMD)**, **Medical CBRN Defense Consortium (MCDC)**, and **Consortium for Energy, Environment and Demilitarization (CEED)**
